Aboriginal Dancers Needed

Volunteering Gold Coast (VGC) is always on the look out for specialty entertainers of all types! And this year on Sunday 3rd July, there is a very special volunteer entertainer request.

As part of the annual Lavender and Lace Garden Party organised by The Leukaemia Foundation's Gold Coast Branch; Volunteering Gold Coast are seeking an Aboriginal Dance Group to help out by volunteering for the event.

"We always have local community groups contacting us for entertainers, but sometimes we have special requests which are a little trickier to find because they are not already on our volunteer database" says VGC spokeswoman, Chantel Charchalis.

"Aboriginal Dance groups are encouraged to apply as a volunteer group through Volunteering Gold Coast as they would then be covered completely by insurance."

"As a volunteer, we also offer free workshops and training each month on an array of topics – which are always ideal ways to learn extra skills."

If you are part of, or know of an Aboriginal Dance Group who would be interested in performing at this years Lavender & Lace Party please contact Anna Thomas on 5526 2811 or email performance@volunteeringgc.com.au
